Face

Sushruta believes in true beauty - Beauty that builds confidence and self esteem.

Sushruta is a specialty Plastic & Cosmetic surgery clinic located in Peelamedu, Coimbatore. Founded in the year 2008, Sushruta has been catering to the various plastic and cosmetic surgery requirements of individuals who aspire to overcome their deformities and appearance related short falls. Sushruta also plays a vital role in enhancing the appearances of individuals who believe in the power of looking good.

Equipped with the latest in technology, Sushruta is a studio clinic that gives the utmost of importance to a patient's anonymity and discretion. Our clinic has holistic ties with some of the best hospitals in Coimbatore for in-patient treatments.

We at Sushruta believe in the right of every individual to look good and thereby feel good. We believe in your ability that can be fuelled by your smart looks.

Sushruta - **Beauty that builds confidence and self esteem.**

“Who sees the human face correctly: the photographer, the mirror, or the painter?”

When Picasso said those words, he must have never imagined the heights to which a human face can be enhanced in appearance with technology. Our globally renowned corrective processes can make you fall in love with your own face.

Body

“B is for breasts of which women have two; prized for its function and also for its view.”

In today's dynamically changing world the perfect size of body parts is critical to an individual well being in terms of beauty as well as comfort levels. Breast related surgical procedures need to be done with utmost care and precision. We at Sushruta are forerunners in the area of breast related procedures, which gives you the added advantage of our experience.

Our bodies are apt to be our autobiographies.

The world perceives us through our appearance. Our bodies need to reflect the personality inside. Sushruta can help you bring out the strong, smart and beautiful person hidden inside your body. Our advanced Liposuction, Tummy-Tuck, Body Contouring procedures will tone and transform you.
